[The Ranch at Laguna Beach](#) | Laguna Beach, CA

Escape to a golfer's paradise at The Ranch at Laguna Beach, where the scenic **9-hole** GEO Certified® course is carved into the breathtaking canyons of Orange County. The **only course in Laguna Beach** is a truly immersive experience with stunning views, elevation changes, and an ultra-private setting that allows you to connect with nature's tranquility. Commitment to proper tee box and hole placement ensures a fast, fun, and inviting game for players of all levels. Enhance the experience with a Club Car fleet featuring interactive GPS technology, browse the latest gear in the Pro Shop, and savor local food and drinks on the expansive patio overlooking the course. Signature Hole 6 features the best views of the course and a challenging green guarded by bunkers. At just 105 yards from the front tees, it's the shortest hole on the course, but with a tee shot that must carry Aliso Creek, it offers a thrilling test of skill and precision.
