

ADVENTURE CAMP MANIFESTO

Welcome to Adventure Camp! The Ranch at Laguna Beach's new camping experience. We know you are going to have an incredible time camping with us! Being in nature, under the stars can fill your soul. Every adventure includes a few unknowns. We want to make sure you understand the style of camping at Adventure Camp before tucking yourself in tonight!

Who?

(2) people per tent. Adults only right now. You can make it a family affair by reserving all (4) tents! Otherwise, we look forward to offering more "kid friendly" options in the Spring.

When?

Monday, Tuesday, and Wednesday nights from Monday, September 21—Wednesday, October 28, 2020.

Offered seasonally.

How?

Arrive at The Front Desk for check-in at 3:00pm and a Ranch LB Team Member will transport you by golf cart to Adventure Camp. This is a genuine camping experience, so once you are settled in the campsite you are locked into the adventure. Sleep under the stars and take in the morning air before check-out at 12:00pm where you will be escorted back to the main land by golf cart once again.

Wait, no turndown?

What you need to know to be a happy camper

- * Showers? Yeah um - no.
- * It gets really dark. **If you need to use the updated and shared bathroom please use your provided lantern.**
- * Critters. You are camping where the bugs and wildlife call home. If you are lucky, a ladybug might land on your pillow. You might hear coyotes howling.
- * We will provide earplugs if the crickets are too loud.
- * Our resident bullfrog may wake you up with his excessive bellowing.
- * Cell service will be nonexistent - but somewhat decent WIFI is available. Streaming movies is not going to happen.
- * Those quarantine puzzles and card games? Now would be a good time to dust them off.
- * Air Conditioning provided naturally. By mother nature. There are no heaters in the tent, but lots of blankets if you need them!
- * We are somewhat close to the golf course - if you hear "FORE" pay attention. Rare, but some of our golfers need lessons.
- * We are here if you need us. You may be out there in the wilderness, but you are not alone. (See note about critters.)
- * Sleep tight!
